

About us

Krishna College of Science and Information Technology, Bijnor was established in 2002 with the objective of catering to the educational needs primarily of less privileged class of Bijnor and surrounding districts. Krishna College of Science and Information Technology, Bijnor is run by Krishna Charitable Trust Society-a Charitable Organization that is working in the field of Education and Social Welfare activities for the last twenty two years. Krishna College of Science and Information Technology, Bijnor, situated at a distance of 2 Kms from Bus Stand and 3 Kms from Railway Station at Noorpur-Moradabad Road, offers courses like BBA, B.Com(Comp), M.Com, B.Sc (Zoology, Botany, Chemistry, Physics, Maths, Home science, Micro Biology, and Computer Science), MSW, M.Sc.(Physics, Chemistry, Zoology, Botany, Home Science, Maths). It has a vast environment friendly lush green and well equipped campus sufficient enough to organize all types of co-curricular activities. Social recognition and reputation of the College testifies to the objectives with which it was established. Results of students in different courses with good marks testifies to the fact that College is committed to its goals.

About Seminar

Krishna College of Science and Information Technology, Bijnor is going to organize a Two days seminar on February 16-17, 2025. The Seminar will provide an excellent forum for sharing knowledge and research work on the extent progress of different fields in Uttar Pradesh-Presents positions, Problems and Suggestions. This will bring together academicians, researchers, industrial experts, policy makers, civil society activists and research students to present papers and generate discussion on current research and development in latest trends in manufacturing, services, agriculture, social practices, education, infrastructure, health and its allied areas. The papers at the seminar are invited to use the lens of Uttar Pradesh to dwell on development challenges, responses, and alternative strategies and paradigms. In the light of the above, the following are the themes for the forthcoming seminar.

Themes and subthemes:

Theme: "Atma Nirbhar" Uttar Pradesh - Growth: Dimensions, Opportunities and Challenges.

Sub Themes:

Trade and Industry

1. The trends and growth of manufacturing and services both at the level of specific industries and sectors.
2. Potential of the manufacturing and service sector to generate employment, income, and inclusive growth.

3. The Trends in foreign capital inflows in different sectors.
4. The role of industrial policies at the state level.
5. Prospects of Manufacturing and Service Sector and growth in MSME

Social Protection Program

1. The extent of challenges in implementation and success of Social Protection Programmes (such as MGNREGA, Ayushman Bharat) and its impacts in alleviating poverty and creating sustainable livelihoods.
2. The role of digitalization and the banking sector in implementing various government schemes for financial inclusion.

Education

1. Role of development of Education System (Primary to Higher levels) in the development of Uttar Pradesh.
2. Analysis of present education system in Uttar Pradesh.

Agriculture

1. Role of Agriculture sector in the growth of Uttar Pradesh: Prospects and challenges.
2. Agricultural marketing related issues in rural Uttar Pradesh

Health and Hygiene

1. Role of health accessibility to the growth of Uttar Pradesh opportunities, challenges and innovation.
2. The linkages of social security with health.
3. Role of health facilities in Uttar Pradesh in masses.

Women Empowerment

1. The impact of gender inequalities and empowerment of women and girls in different contexts and stages of life.
2. The role of Self Help Groups (SHGs), its success and challenges for promoting growth of rural economy in Uttar Pradesh and India.

The above mentioned sub themes are only illustrative. Participants may select other related topics covered under the main theme of the seminar.
